

APPRENTICE BRICKLAYER

8.00am – 5.00pm

Salary - £7.00ph

**Location – Kew Bridge Gate Project
West London**

DWG Scaffolding and Brickwork

are currently looking to employ two enthusiastic, committed and reliable bricklayer apprentices for the Kew Bridge Gate Project.

The individual will be working and training on and off site and would be a year 2 student or someone who is nearing completion of year 1 .

The successful candidates will be required to continue the ongoing training provided at college and alongside this, receive on-site training in the workplace.

Requirements

- Basic skills of masonry construction and bricklaying
- Will need to possess a sensible attitude and be willing to take on and understand instructions as required
- Demonstrable commitment to the working environment
- Excellent communication skills
- Living in the borough of Hounslow or neighbouring borough
- Ability to work in a team
- Ability to work in varied conditions e.g. internally and externally
- The willingness to learn
- Attendance at college 1 day per week
- Excellent time keeping

The successful candidates will take up post the late January 2020.

If you believe you meet the above requirements and are the right person for this position, please send your CV to Diane Gadd at DWG at diane@dwggroup.co.uk .
