Background

Brentford Football Club is a Premier League football club based in the London Borough of Hounslow. The Club was founded in 1889 and has been through a period of great change in the past year. Brentford moved to a new, 17,250-seater stadium with outstanding facilities for fans, broadcasters, corporate guests, and the community in the summer of 2020, having previously played at their historic Griffin Park home for 116 years.

At the end of the first season in the new stadium, Brentford won promotion to the Premier League. The Club's first season in the top flight of English football since 1947 will start in August 2021. Promotion and a move to a new stadium are parts of a longer-term vision that aims to see Brentford FC sustain top level football on the field and ensure that the Club is sustainably run off the field.

Situated next to the M4, the new Brentford Stadium is at the centre of the Brentford East redevelopment scheme, which includes the construction of more than 900 new homes, a new purpose-built location for Brentford FC Community Sports Trust, and a public square with shops and cafés. Brentford FC plays a very active role in its local community.

The Club is a four-time winner of the EFL Community Club of the Year Award and is the only professional football club in the UK with a Business in the Community and Community Mark Award. In total, Brentford FC Community Sports Trust delivers more than £13 million of social benefit to the West London area.

Brentford FC is an organisation which values and is passionate about diversity and inclusivity. We welcome applications from all qualified applicants and, whilst our recruitment decisions are always based on merit and suitability, we would also like to encourage those qualified candidates from underrepresented groups within our organisation to apply; this currently includes those from ethnically diverse backgrounds, women, those from the LGBTQ+ community and those with disabilities.
